This is submitted in response to a Notice to File Missing Parts of Nonprovisional Application mailed on July 24, 2007 ("Notice") in connection with the above-identified application. A shortened statutory response to the Notice was set to expire two (2) months from the mailing date of the Notice, i.e., on September 24, 2007. Accordingly, filed concurrently herewith is a Petition for Extension of Time to extend the time for responding to the Notice by one (1) month, such that it expires on October 24, 2007.

The Notice indicated that an oath or declaration of the inventors in compliance with 37 C.F.R. 1.497(a) and (b) which identifies the application by the international application number and international filing date was required. In response to the Notice, Applicants enclose herewith a signed Declaration which identifies the application as International Application Number PCT/IB05/00969 filed on April 11, 2005.

Also enclosed is a Power of Attorney and Correspondence Address Indication Form.

Authorization is hereby provided to charge the amount of \$130.00, as stated in the Notice, as well as any additional fees required, or to credit any overpayment to Applicants' Deposit Account No. 16-1445. No additional fee is believed due. However, if any fee is due, the Examiner is authorized to charge the fee to Applicants' Deposit Account No. 16-1445.

Respectfully submitted,

Date: October 4, 2007
